Website updates

- Pages have been added
- Will backup moving forward
- Katie will update Roadmap
- And add contact info as a page
- Katie and Hartmut will add meeting notes pages

1.6 Release date discussion

- Final release will be about a month, but release candidate in 2 weeks
- Release candidate as soon as PRs are ready
- Wait for Thomas's changes? Sanitizer
- Changes or merges to be done before release were discussed
- Please check the issues list – issues tagged V1.5
- For V1.6, split up main library and include headers
- Is the scheduling polling flag necessary?
