

10-14-21

HPX – PMC meeting notes

Present:

Mikael, Gregor, Hartmut, Auriane

Logistics of splitting the repository

HPX local will be the same as distributed for now

Discussion about upcoming and tentative opportunities and collaborations:

Some interest from outside orgs in HPX distributed, multi year proposal

LANL contract should be extended for 2 years at least

Hartmut has been invited to give some talks

Gregor will check out Kokkos branch. Mikael will ping the Kokkos people about the PR

Hartmut having issues with launch
